R641-102-100. Natural Persons.

A natural person may appear on his or her own behalf and represent himself or herself at hearings before the Board.

R641-102-200. Attorneys.

Except as provided in R641-102-100, representation at hearings before the Board will be by attorneys licensed to practice law in the state of Utah or attorneys licensed to practice law in another jurisdiction which meet the rules of the Utah State Bar for practicing law before the courts of the State of Utah.

R641-105-200. Responses.

All responses to petitions, responses to motions by petitioner, and motions by respondent, together with all affidavits, briefs, or memoranda in support thereof, filed by the 10th day of the month or two weeks before the scheduled hearing, whichever is earlier, in the month in which the hearing on the matter is scheduled (the "Response Date") may be considered by the Board at its regularly scheduled meeting during that month. This rule will apply to all statements, briefs, or memoranda prepared by the Division or by the Staff in response to any petition or motion by petitioner. Any responses or other materials filed after the Response Date may be considered at the Board's regularly scheduled meeting for that month only upon separate motion of respondent made at or before the hearing for good cause shown.

R641-105-500. Exhibits.

Any exhibits intended to be offered by petitioners will be filed at least thirty days prior to the date of the hearing for which the exhibits are intended. Respondents and intervenors will supply exhibits with their respective pleadings. Any exhibits intended to be offered by the parties in rebuttal of evidence presented at the hearing will be presented at the hearing. The Board, on its own motion, may order the continuance of any proceeding until the next regularly scheduled meeting of the Board in order to allow adequate time for the Staff to evaluate any evidence presented during the hearing.
